

Comprehension 5:

I did it! I got to the top of the mountain, although I did feel a bit sick after all that swaying. Now I just have to get these big shoes on my back feet and I'll be off!

No I'm not! I'm really, really scared. What will happen to me if I can't stop? Will I fall off the end of the world and no one will know? Or perhaps one of those big people will step on me and I will disappear forever in the snow.

Now I am being very silly. I managed to get this far so I am going to go for it! 5-4-3-2-1- zero! HELP!

Well I don't think I went off the end of the world and I didn't get trodden on by a big person but I don't feel too good. I think I might have broken something. My paw seems wobbly and it does hurt quite a lot.

I think it's time I went home!
