

## Comprehension 2

Hello again! Nutty here! Good , all is nice and quiet. Now I am going to tell you how I go on so many adventures.

I don't have any money , only nuts , so I can't buy a ticket for a train or a bus , but I am small so I can go into places that people can't get in ----- like shopping bags ! Old ladies are the best because they don't seem to notice! I jump in when they're not looking and scabble right to the bottom. The old ladies often have tasty nibbles so I settle down , get nice and comfy , have a little snack and enjoy the journey !
