

My Trip to Martin's Monsterland.

Draw all the things you think you might like to take with you on your holiday to Monsterland.

Things to consider:

1. Is it a warm place or a cold one?
2. Where does Martin live? In an alien house? In a tent? Or in igloo perhaps?
3. Do you need a passport?
4. How long will it take to get there?
5. Will you need to take some food?
6. What sort of things might you be doing when you get there? Will you need swim things?

Think of all these things before you start to pack your suitcase.

You can write a little about why you packed the things you did on the lines underneath.
