

Sedimentary Sandwiches

Ingredients:

1. 3 different types of sliced bread
2. Butter or margarine
3. A variety of different fillings such as Salad leaves

Tomatoes

Cucumber

Cheese slices

Ham, chicken or

Salami

Mayonnaise chutney or pickle

And anything else you may fancy!

Method:

1. Butter a slice of bread and lay one or two of your fillings on the top.
2. Butter a second slice [different type this time] and lay it butter side down on your fillings.
3. Now butter the top of this slice and lay some more of your fillings on top again
4. Butter a third slice [different type again] and lay that on the top of the fillings.
5. Use your hands to gently press your sandwich down and cut it carefully into quarters.
6. Wrap in clingfilm to display your sedimentary sandwich.
